July 2015 – January 2018

Comprehensive curricular reform - Expert working groups for History curriculum, Ministry of Science, Education, and Sports, Zagreb (Croatia)

- The reform aims to provide students with education in line with their ages and interests to prepare them for the world of work, further education, and modern life. The reform will more clearly define what is expected from students. The roles of teachers and educational institutions will also be strengthened. Teachers will be more autonomous and allow more creativity, while their administrative and bureaucratic obligations will be reduced. Emphasis will be on the professional development of teachers.
