Researcher's Curriculum Vitae
2.9.2021

1. Personal details

Name	Jenny Paananen
ORCID	0000-0002-1653-7967
Nationality	Finland
Websites	ResearchGate Turku Research Portal Twitter LinkedIn

2. Degrees

4/4/2019	Doctor of Philosophy, Finnish and Finno-Ugric languages, University of Turku, Finland
9/12/2010	Master of Arts, Finnish and Finno-Ugric languages, University of Turku, Finland
2/12/2010	Bachelor of Arts, University of Turku, Finland

3. Other education and expertise

- Various conversation analytic workshops in Helsinki and Loughborough.
- Studies of management, entrepreneurship, and finance in the Turku school of Economics.

4. Language skills

• Native language	Finnish	• Other language skills	English, excellent Swedish, good French, average
-------------------	---------	-------------------------	--

5. Current employment

1/9/2020 – 30/8/2023	Postdoctoral researcher, Department of Nursing Science University of Turku (UTU) Project: Alongside Dementia funded by Academy of Finland (decision 331555)
----------------------	--

- Stage of the academic research career: II–III

6. Previous work experience

1/5/2019 – 30/8/2020	Postdoctoral researcher, University of Helsinki Project: Interaction, social inclusion, and mental illness PI: Camilla Lindholm, funded by Academy of Finland (307630)
1/1/2014 – 26/4/2019	Salaried doctoral candidate, Doctoral Programme Utuling School of Languages and Translation Studies, UTU

1/7/2013 – 31/12/2013	Salaried doctoral candidate Network for Research on Multiculturalism and Societal Interaction School of History, Culture and Arts Studies, UTU

Business and Professional Women Turku.
- 14/3/2017 Article award, 300 euros. E. A. Saarimaa Foundation, awarded by the Society for the Study of Finnish.

13. Other key academic merits

Memberships in scientific communities

International Society for Conversation Analysis (ISCA)
 International Pragmatics Association (IPrA)
 Centre for the Study of Language and Wellbeing LaWe
 Centrum för demensforskning CEDER's researcher community, Linköping University
 Kotikielen Seura (the Society for the Study of Finnish)
 Langnet
 Suomen Kielen Seura (Society for Finnish Language,
 Suomalaisen Kirjallisuuden Seura (SKS, The Finnish Literature Society)
 the Finnish Association for Applied Linguistics (AFinLA)
 the Discourse and Rhetoric Group (DARG).

Referee for scientific publications

Journal articles: *Journal of Pragmatics*
International Journal of Environmental Research and Public Health
AFinLA Yearbook, Gerontologia, Työelämän tutkimus

Scientific book: Gaudeamus

Administrative or working group positions in institutes of higher education and research organisations

2019–2022 Chair: Centre for the Study of Language and Wellbeing (LaWe), UTU
 2020–2022 Board member: Strategic board: Know-how and well-being, Nursing Science, UTU
 2018–2019 Board member: Centre for the Study of Language and Wellbeing (LaWe), UTU

2017–2019	Board member: Research division for the School of Languages and Translation Studies, UTU
2017–2020	Board member: Research Unit for Culture and Health, UTU
2018–2020	Board member: ETNIMU project, Society for Memory Disorders Expertise in Finland, Helsinki
2018	Board member: Doctoral Programme Utuling, UTU

Invited lectures

6/5/2021 Keynote speaker, The XLVII Annual Conference on Linguistics, University of Tampere.

Organizing scientific conferences

2018– Centre for the Study of Language and Wellbeing (LaWe): seminars, webinars, writing retreats, trips, parties etc.
 2017 Member of organizing committee: AFinLA Autumn Symposium, Turku
 2016 Chair of organizing committee: Conversation Analysis Symposium, Turku

14. Scientific and societal impact

- Paananen has published several Open Access articles, and she has utilized her research output by writing popularized articles to trade journals and textbooks (medicine, interpreting).
- Paananen has provided education on healthcare interaction and multicultural interaction. Paananen has given invited lectures in universities, third sector organizations, and welfare events, including, for example, General Practice in UTU, Interpreter studies in Tampere University, Speech and Language Pathology in universities of Helsinki and Turku, The Finnish Medical Society Duodecim, training company Edumar, and Red Cross.
- Paananen has completed ethical assessment procedures for four different projects, and is responsible for their research integrity.
- Paananen promotes the importance of humanities. Paananen has over 1 000 followers in Twitter, and she has appeared as a panelist in Tieteiden yö [The Night of Science] in Helsinki.
- Through her academic career, Paananen has invested in peer support and network building. She is one of the founders of the Centre for the Study of Language and Wellbeing, and peer group Viskuri. Paananen has shared her experiences as a young scholar for doctoral candidates in various events organized by the Doctoral Programme Utuling. She has written about her first steps as a postdoctoral researcher in the book *Väitöksen jälkeen: opas akateemiselle uralle* [After the dissertation: guide to an academic career] by Camilla Lindholm and Johanna Isosävi.

Media appearances as an expert

Newspaper interviews:

- Ei oire vaan ihminen [A person, not a symptom – on doctor–patient interaction] Written by Sanna Huolman, *Helsingin Sanomat* 2.9.2021, in print and [online](#).

- Mitä tutkitaan? Mielenterveyskuntoutujien stigma ja unen vaikutus työterveyteen [Ongoing studies: stigma related to mental health rehabilitation and effects of sleep on occupational health]. Written by Onni Ratala, *Turun Sanomat* 14.7.2020.
- Tohtoriksi vuorovaikutuksesta [Doctoral thesis on interaction]. Written by Jonna Nikumaa, *Luoteis-Lappi* 2.5.2019.
- Ele paikkaa puhetta monikulttuurisilla lääkärin vastaanotoilla. [Gestures complement speech in multicultural primary care consultations] Written by Ritva Setälä, *Turun Sanomat*, 27.4.2019, 21.
- Kroppspråket blir allt vanligare hos läkaren. [Using body language is routine for doctors] Written by Mikael Piippo, *Hufvudstadsbladet* 14.3.2019.
- Kroppspråk kan hjälpa på läkarmottagningen. [Body language can facilitate doctor's consultations] Written by Mikael Piippo, *Nyheter Åbo* 14.3.2019.
- Avhandling: Språkbarriärer kan övervinnas med kroppsspråk. Written by Mikael Piippo, *Åbo Underrättelser* 7.3.2019.
- Kohtelias lääkäri voi olla kiusallinen. [An excessively polite doctor may become embarrassing] Written by Elina Heino, *Mediuutiset* 14.11.2014, 40:24–25.

Podcast interview:

- Tutkijana muistisairauden äärellä [Researcher alongside dementia]. 27.5.2021. <https://sites.utu.fi/.../lawen-podcast-jakso-1-tutkijana.../>
Editors: Anni-Leena Alanen ja Katri Sohlman.

Video interviews:

- Humanisti näkee keskiarvojen taakse [Humanist sees behind the margins]. Tutka, Turun ammattikorkeakoulun verkkosivusto. 18.5.2021. <https://youtu.be/flmMDJRI2Tk>
Editor: Salla Nurminen
- Muistisairas läheinen hoivakodissa. [Dementia and transition to nursing home]. Varsinais-Suomen Muistiyhdistys, Memory Association of Finland Proper. 2.7.2021. Edited by: Kaleva Media
