## JOB APPLIED FOR

adjunct faculty in Communication Sciences / Sociology

## WORK EXPERIENCE

1999 - present Public servant (education, support to laboratorial teaching activities).

2010 - 2019 During and after my PHD course I gave lessons of qualitative methodology, case study research, new media, social theory.

## EDUCATION AND TRAINING

2014 Joint PhD (co-tutorship): PhD in Theory and Social Research at "Sapienza" University of Rome - PhD in Communication Sciences at "UGent" University of Gent

Thesis titled: "Virtual Communities: online and offline connections". The thesis was based on a multiple case study research developed by and ethnographic approach (in-depth qualitative interviews and observation online - netnography - and offline). The focus was mainly on collaboration and sense of community, as well as on a new definition of virtual community which was provided. The thematic analysis of data was done using NVivo 10.

2009 Bachelor degree in Communication Sciences  
"Sapienza - University of Rome". score: 110 with honors (summa cum laude).  
Thesis on prayers websites (praying on the web).

2007 Master (2 years) in Communication and Advertising  
"Montecelio Institute" Regional Government of Communication – Montecelio (Italy) Rome, score: 110 with honors (summa cum laude).  
Thesis on communication analysis of the websites of the three best companies in Italy (focusing on web communication and its related topics).

2003 BA Honours (four years degree) in Sociology  
"Sapienza - University of Rome", score: 107/110.  
Thesis on Semiology of music.

## PERSONAL SKILLS

Mother tongue(s) Italian.

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
"6th level practical english" at "UGent" University					
Spanish	B1	B1	B1	B1	B1
Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user Common European Framework of Reference for Languages					

**Communication skills** English - good communication skills gained through my joint PhD in Belgium (where english language was used for the academic activities as well as in the everyday life). I also took two english courses in order to improve my skills, academic writing included.

**Job-related skills** I developed quantitative and qualitative research methods and techniques skills (Methodology of research) at "Sapienza", as well as knowledge in new media studies at "UGent".

I also gave lessons (about qualitative and quantitative research and case study research, as well as sociological theories), as well as exams, during my PhD course.

- team work: I have worked in various types of research teams.

- in the field: I got in touch "in the field" by myself and made several qualitative in depth-interviews (70) for a work about immigrants from latinoamerica during my bachelor degree. Same thing was done during my multiple case study research (4 cases) for my PhD research (about 70 qualitative in depth-interviews).  
I also made research using quantitative and qualitative methodologies (see "research" section).

Digital competence	SELF-ASSESSMENT				
	Information processing	Communication	Content creation	Safety	Problem solving
	Proficient user	Proficient user	Proficient user	Proficient user	Proficient user
Levels: Basic user - Independent user - Proficient user Digital competences - Self-assessment grid					

- good command of office suite (word processor, spread sheet, presentation software).
- good command of photo editing software (Fireworks) gained as an amateur webmaster.
- good command of O.S. like Windows and Ubuntu.

Driving licence B
