PROFESSIONAL EXPERIENCE

Chief Architectural Historian, Mississippi Department of Archives and History Jackson, Mississippi (June 2007 to present)

- Oversee Architectural History section of five people, with responsibilities for Survey & Inventory, National Register, and Certified Local Government programs.
- Manage the Historic Resources Database, an online GIS tool for historic buildings (www.apps.mdah.ms.gov/Public).
- Member of Mississippi Landmark Review Committee of the MDAH Board of Trustees.
- Wrote the second edition of the “New Capitol Architectural Tour Brochure” (2012-2013) and participate in docent training for Capitol architectural tours.

Architectural Historian, Mississippi Department of Archives and History Jackson, Mississippi (September 1996 to June 2007)

- Created and managed the Historic Resources database, a Microsoft Access system designed to enhance, organize, and supplement the Historic Resources Inventory, a paper filing system of over 40,000 buildings.
- Conducted historical and architectural surveys and oversaw publicly funded survey projects for MDAH.
- Wrote National Register historic district nominations.
- Created and populated a vertical file of Mississippi architects.
- Conducted a survey of historic schools built before 1960, using archival sources to locate approximately 3,000 school sites and document over 800 school campuses with photography, site plans, architectural descriptions, and historical information.
- Organized documentation and preservation efforts on the Mississippi Gulf Coast after Hurricane Katrina (2005-2006), managing teams of volunteer architects and engineers to assist owners of historic properties.
