

An abstract map of the African continent is the background of the book cover. The map is divided into several irregular, hand-drawn regions, each filled with a different color. The colors include shades of olive green, yellow, light green, dark green, light blue, and orange. The borders between the regions are white and have a slightly rough, hand-drawn appearance. The title 'ETHNOPSYCHIATRY' is printed in white, bold, sans-serif capital letters across the center of the map, overlapping the olive green and yellow regions.

ETHNOPSYCHIATRY
